Delta Dental Premier®

With Delta Dental Premier, you have the option of visiting any dentist. However, your out-of-pocket costs may be lower if you see a Delta Dental Premier dentist and higher if you choose an out-of-network dentist.

Plan Highlights

- Your Delta Dental Premier plan gives you access to the largest dental network in the nation,¹ so it's likely that your current dentist already participates with us.
- Visiting an in-network dentist with Delta Dental Premier and using your preventive benefits may lower your out-of-pocket costs now and in the future.
- Premier dentists have agreed to discount their fees, submit claims on your behalf, and will not bill you for the difference between the Delta Dental Premier fee and what an out-of-network dentist would charge.

If you do not have a dentist and wish to find an in-network dentist, visit [DeltaDentalVA.com](https://www.DeltaDentalVA.com) to use our Find a Dentist tool.
